Tuesday	9:00—7:00
Wednesday	9:00—7:00
Thursday	9:00—7:00
Friday	12:30—5:30
Saturday	9:00—Noon

The purpose of the Friends of the Lake City Public Library is to promote general public awareness of the library's programs, services and assets, and to complement the success of the library in providing the various needs and interests of the library's patrons.

Here are some of the Friends of the Library's programs and programs for the library they support:

Wee Read Program

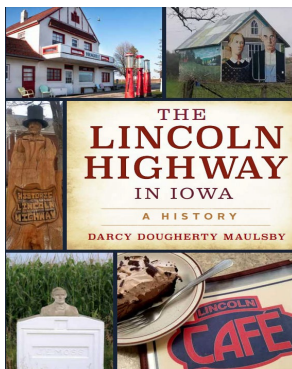

The Friends provide a Friends of the Library book bag for every baby born at the local hospital. The bag is filled with a board book, bookmark, and information about early literacy and children's library programs such as 1000 Books Before Kindergarten and Story Time. Our local hospital has 100 or more births each year.

The Friends partner with the Stewart Memorial Community Hospital Auxiliary to provide a book bag with a book to every child eight years old and younger admitted to the emergency room.

Read to Recovery

The Friends fund the library's children's programs including Summer Reading, Story Time & Holiday programs

The Friends sponsor and fund adult programming with speakers with ties to Iowa and the local communities.
